In the event of an accident, contact the Pohjola Health Advisor service

- You can call Pohjola Health Advisor for an expert opinion on your symptoms and, if necessary, a referral directly to the most suitable medical professional at your nearest Pohjola Hospital or Pohjola Insurance partner doctor or clinic.
- The Health Advisor will check what your insurance policy covers when you use medical services subject to charge and handle the claim for you. At the appointment, you will only pay the deductible for the treatment, if there is a deductible.
- If there is no need to visit a doctor, you will receive clear instructions for home care, ensuring a speedy recovery.
- Outside service hours or in emergencies, you may visit any clinic or hospital to receive first aid. In these cases, you must first pay the medical expenses yourself and file a loss report in OP-mobile or OP eServices.
